UPDATE - JANUARY 2022

GHANA

Godfred Mintah will be traveling to Ivory Coast in February to encourage the students and teachers of the extension program in the capital city of Abidjan. Please keep this important trip in your prayers.

The supervisor of extension classes in Ghana, Afrifa-Konadu, began the year by holding three-day training seminars for students and teachers at four (4) extension centers. The topic was soul winning and discipleship mentoring to fulfill the Great Commission – Matthew 28:19-20. Our purpose goes beyond

Bible knowledge. We want our students to be active in multiplying the Lord's Kingdom. The training will be held in other extension centers in the coming months.

NIGERIA

2022 is the year of "Great Rewards for the Diligent." The year began with the annual leaders' retreat January 6-8. Contemporary leadership challenges were addressed through videos from the 2021

Global Leadership Conference followed by practical discussion. The retreat was followed by 21 days of fasting and prayer for the coming year.

The Faithway Schools are growing in enrollment. Construction to finish the second floor of the building in Calabar has progressed to the top of the windows.

Bible college training continues via audio visuals viewed at the convenience of the students plus meetings from time to time for seminars and exams.

LIBERIA

The churches held their annual convention during the week of the New Year transition- Dec 27 to Jan 2. The theme was “Choose YOU THIS DAY Whom You Will Serve” – Joshua 24:14-15. Teachings were on “Facts Concerning the New Testament Church.” Extension students were given certificates for the courses they completed. Plans were made for more leadership training seminars in rural areas during the year.
