SHEFFLER UPDATE - AUGUST 2023

NIGERIA UPDATE

The annual Men's Day was observed in each congregation on July 16. The theme was "A Man of Faith" using an apt prepared by Evangelist Sunday Obeten.

Faith-Way School held their closing ceremony for the academic year on July 21. Four students were graduated and are qualified to

continue their education at High School level. The high cost of fuel made it necessary to cancel the annual youth camp. Instead of holding a youth camp, Sunday Obeten held a two-day seminar for the youth leaders on July 22-23. Government approval for the clinic in Calabar is still in progress.

TAMALE CONSTRUCTION PROJECT

The forms for pouring the concrete roof for the first level which is the floor for second level of the building are completed.

Electricians have to install conduit and plumbers have to install water and sewer pipes for the second floor then the reinforcement steel

has to be installed before the concrete can be poured. At the time of this printing most if not all of this work will be done.

Bob will visit Ghana in September

I will be in Ghana from September 4 to 18. Josh Galyan is going with me. Josh is a member of the Solsberry Christian Church and has a strong desire to be involved in Missions. He is a driver for a charter bus company and has a landscaping business on the side. He will tour Ghana with me to visit the church planters and TEE classes as well as observe the annual board meeting of the Christian Leadership Training Institute. During this trip, Josh will consider the possibility of becoming involved in the work of Ivory Coast Christian Mission.

PRAISE AND PRAYER REQUESTS:

1. Thank God for the continuing work in Nigeria as they struggle with high fuel prices.
2. Thank God for progress on the resident and training building in Tamale, Ghana.
3. Ask God to encourage Nigerian Christians as they struggle with financial and political challenges within the country.
4. Ask God to enable the clinic in Calabar to be approved by the government so that God can be glorified and the community around the church can benefit from its medical care.
5. Ask God to protect the workers as they complete the concrete roof/floor of the Tamale building.
6. Pray that the visit of Bob and Josh Galyan to Ghana next month will go well and bring glory to His name.
7. Pray for increased donations to Ivory Coast Christian Mission. We are struggling to meet monthly operating expenses and have no funds for emergencies which come from time to time.
